

FREQUENTLY ASKED QUESTIONS AND ANSWERS :

Can I pay my course fees into a South African bank account?
Unfortunately, we have relocated our admin to Australia. You will need to do an international transfer, which is normally an easy process.
Will the certificate course provide me with a blasting certificate ?
No, the course does not result in a blasting ticket or license as the course is intended for people who are working in the blasting field and want to improve their knowledge of blasting
Can I do the Advanced course before I do the Certificate course ?
No. You must have either done the Certificate Course OR have a Diploma in Explosive Technology with practical experience in blasting.
Can I fax assignments, exams, etc to AET?
No. We find the print quality is not adequate for us to correctly mark/assessment your work. Please email your work to us.
Are there specific times when I must enroll?
No, you can enroll at any time during the year.
Do I need to do a practical?
No. Both the Certificate and the Advanced Certificate course are only theory courses
Can I pay the course fee off in installments?
No The course fee must be paid in full before the course material is dispatched to you.
I want to learn how to demolish buildings, will the course help me
No the course is intended for rock blasting in a mine, quarry or construction site only
Is the course accredited
No it is not an accredited course.
